本基金謹代表所有受惠病童及家人，向您深切致謝。

Thank you very much for your generous donation. Through your support we are able to achieve our aim to improve the quality of life for young cancer patients and their families by walking the journey with them through the provision of psychosocial services, halfway homes, as well as the sponsorship of drugs, research and the upgrades of equipment and services in the paediatric oncology wards.

On behalf of the children and families we serve, thank you once again for your unstinting support!

Yours sincerely,
